

Age-Friendly Communities in Manitoba

*Summary of Survey Findings -
Gimli*

October, 2008

Centre on Aging
University of Manitoba

As part of the Age-Friendly Awareness Day held in Gimli on October 9, 2008, individuals were asked to complete a brief questionnaire designed to collect information on the age-friendliness of their community. A total of 26 questionnaires were completed; 20 individuals identified Gimli as their community of residence. This report summarizes the findings from the 20 Gimli residents who completed the Age-Friendly Communities Survey; 85% identified themselves as a senior.
